CONCORDIA
TEACHERS
COLLEGE

RIVER FOREST, ILLINOIS

As we go through life we are surrounded by many doors. Our door of life is opened to us by Christ. In the corridor of this life is found a number of doors representing good and evil. As Christians, we must be led through many doors by the Holy Scriptures. It is for this reason, that we have decided to build our theme around doors. At the end of life's path let us follow the cross to the doors opened wide to us by Christ.

DR. JOHN W. BEHNKEN

Dedication

"His Lord said unto him, Well done thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things" — Matt. 25; 21.

Such a servant is the man who was elected president of the Texas District of the Missouri Synod in 1926, elected second vice-president of Synod in 1929, first vice-president in 1932 and president of the Missouri Synod in 1935. In addition to holding these administration duties in Synod, he served as pastor of Trinity Lutheran Church in Houston for over twenty-seven years.

In grateful acknowledgement of the many years of tireless and unselfish service given to his beloved Lutheran Church-Missouri Synod as its president, and, with a just pride in the many tasks accomplished in the interest of lengthening the cords and strengthening the stakes of the Church Militant through his guidance and leadership, we respectfully dedicate this volume to Dr. John W. Behnken, humble servant of God, undaunted and courageous, yet modest and unassuming, bowing in humble obedience to the supreme authority of God's holy Word.

In Memoriam

PROF. R. T. ROHLFING

Before us we see the picture of a man whose love for his church and untiring efforts toward his calling will never be forgotten. Professor Richard T. Rohlfing served the Lord as mission pastor at St. John's Lutheran Church, Townsend, Wisconsin for two years and as instructor at Concordia, River Forest for over thirty-five years.

Professor Rohlfing continued his studies while at Concordia and he received the degree of Master of Music from Northwestern University, Evanston, in 1937.

While at Concordia, Professor Rohlfing served as director of the concert band from 1925 until 1950. He became Chairman of the Division of Music at Concordia in 1947. During his tenure in this office he played an important role in the design and construction of the Music Center on the Concordia campus. He also published three Christmas Cantatas and various selections for piano and band.

In the midst of continuing his never ending devotion to the Kingdom of God, Professor Rohlfing was called to his heavenly home, April 13, 1958. Our memories of him will never be forgotten. "Be thou faithful unto death, and I will give thee a crown of life" — Rev. 2;10.

CARL HALTER

Our Dean Speaks

As this is being written the Christmas lights of the manger scene outside the office window are spreading color over the first snow of winter. Through my open door I can hear a carol being sung somewhere. Some of you haven't had enough even after caroling since 7:00 o'clock this evening. It is now 10:30 on the night of the annual "Christmas Sing".

When you read these words the memory of the manger scene and the carols will be more distant than it was on the night of December 17, but I hope and believe it will still be strong.

This is our hope for all the memories which you will have of your years at Concordia. Some of them are pictured in this book. Perhaps, however, the most significant and lasting ones cannot be pictured at all but can only be stored in the soul.

We hope that these memories, and those which future sons and daughters of Concordia will share, will serve to enrich your lives, and to form a bond with us who remain behind as you leave.

Carl Halter

Carl Halter
Dean of Students

Our Lord once told His Church: "Behold, I have set before thee an open door, and no man can shut it." (Revelation 3:8).

This is a very large promise for the most courageous and trusting heart. It is a blank check, signed by our Lord, to the treasure of success in the work of the kingdom.

It is not uncommon for young graduates of this College — or any college, for that matter — to assume their initial responsibilities in their vocation with the highest of ideals, the noblest of ambitions, and brightest of dreams for future successes. "Practical" people smile tolerantly at them, and wait to wear these young idealists down to the nub of mediocrity.

My dear son or daughter in Christ, you will meet many experiences which can corrode the metal of your ambition, stifle the outlets of your spirit, and quench the flame of your enthusiasm for the Gospel and for the ministry. You can bring yourself to the point where you rationalize your slothfulness away, defend your rut of commonplace and trite performance, and excuse your little efforts in a great cause.

But Jesus Christ will not let you settle for puny peanut prayers, nor will He cease to lay claim to the best that is in you. You were bought at too high a price for Him to smile upon unfaithfulness.

Give Him your heart, your talents, and your best, and He will always give you "Open Doors." While others assert that the impossible is no longer possible, give Him a chance to prove that "with God all things are possible."

Your optimistic friend in Christ,

M. L. Koehneke

Student Life

A big part of our college education is the social relationship we have with our fellow students, through which we enter into many pleasant moments and happy days. As Judy and Jack take time out to come to Campus Corner and relax over a coke or malt, so our social activities provide us with welcome relief from the daily routine.

Football

Try this John.

The Cougar eleven started the season with a strong showing. After winning two of their first three games the fans anticipated a winning season. However their hopes were not to be realized. Many injuries and stronger opposition prevented us from achieving this goal.

The will to win was evidenced by the entire team and much spirit was prevalent. The fighting defensive unit gave the fans many opportunities to cheer. With the loss of ten seniors Coach Brockberg is faced with a problem of filling many positions next season. This will be the task of the returning lettermen.

Basketball

This year's team was built around veterans, lettermen, and promising new players. New uniforms and new thrills were seen by our fans as our team fought hard. The up and down showing of the squad was due to the harder schedule and inexperience of the team as a unit.

Our team once again took second place in the Concordia Invitational Tournament. Stan Brassie was named to the All Tournament Team for his fine leadership.

This is the fifth and final season for Coach Rueben Stohs. His 73-39 record shows his fine work here. Many thanks for your help Coach.

The 1958 golf team had a disappointing record, but several individual performances were of good caliber. Coach Lange's '59 team had only one returning letterman and therefore much rebuilding took place this year around new men and freshmen. A winning season shows that this rebuilding was successful.

Cheerleaders

Pep, spirit, zest; these words describe our cheerleaders. Their never say die spirit kept our cheers organized, and our spirits up.

Many times during the year they introduced clever new cheers. Their presence at the games was a lift to the teams, and made the games more enjoyable to the fans.

A Word of Appreciation

One of the purposes of a book such as this is to promote a mass cooperation in putting it together so that it becomes more a part of the student body. This year's book completed this task in high style as a large percentage of the student body helped in some way to achieve this goal. The editor would like to express his appreciation to these people, especially the Editorial Staff, the photography shop, and the faculty advisor, Mr. Martin for their untiring efforts. Sincere thanks also goes to Mr. Willager and Mr. Masters and to Campus Service and Mr. Langen for their constant aid throughout the year which helped immensely in producing the 1959 *Pillars*.
